

CALLING ALL SCOUTS!!!

ASTRONOMY NIGHTS!!

Saturday, December 19th and January 23rd

~ 7:00 - 9:00 pm ~

The Riverside Astronomical society will be sharing their expertise as they set up their telescopes here at Hidden Valley. You will learn about the constellations and the planets as you view them through the telescopes set up. Draw a diagram of the solar system and learn to identify constellations. Join us as we take a night hike and end the evening with light refreshments.

Meets:

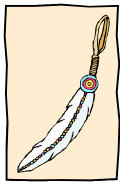

Bear Cub Scout requirements for Space elective 1—Space, a, b, and f.

Webelos Astronomy Belt Loop Requirements 1 and 2 and Academics Pin 1, 3, 4, and 5.

Brownie Space Explorer Try-it 1 and 4

Junior Girl Scout - Sky Search Badge

NATIVE AMERICAN LIFE - STORIES UNDER THE STARS

Saturday November 14th

~ 4:30pm to 7:30pm ~

30 minute snack break at 5:30pm

What did our Native American tribes do for fun? Where did they get their food and what did they eat? Learn about the everyday lives of the Tongva tribe in the Riverside area -play a game - make a story stick - grind some seeds. Then enjoy some Native American & Greek constellation stories while taking a walk under the stars.

Meets:

Wolf American Indian Lore Elective 10 requirements a, b, and f.

Junior Girl Scout (Orange Co. Council) - Understanding the Native American Interest Project

" Understanding Native American Badge" *1,*2,3,4,*7a,c,g &h
